CONSENT TO SURGERY

I hereby authorize the veterinarian and staff to perform the procedures on the pet, administer IV catheter and fluids to the pet, administer to the pet such pain relief medications, sedatives, and/or anesthetics as they consider appropriate for the procedures, and provide the pet such medical, radiological, surgical, nursing, diagnostic, and/or emergency care as they consider necessary or appropriate in connection with the procedures.

I hereby acknowledge that I fully understand the risk, including the fact that the use of anesthesia as part of the procedures may cause injury or death to my pet. I also acknowledge and agree that the Trusty Vet representative can not guarantee that the procedures will be successful.

As the pet owner or the owner's agent I hereby agree to pay in full for the services rendered, including those deemed necessary for medical or surgical complications or for unforeseen circumstances. I understand that any estimate of costs for the procedures is only an approximation and that the final invoice for the procedure may be greater or less than this amount. I agree to pay the cost of the procedure in full before the pet is released to me and regardless of whether the procedure was successful.

I hereby acknowledge that Dr _____ has recommended the following laboratory test be performed on _____ in order to minimize the risk associated with the procedure.

- Pre-op panel for patients less than 7 years includes baseline values for kidneys, liver, diabetes, red blood cells and fluid status-\$112.80.
- Pre-op panel for patients 7 years or older includes baseline values for kidneys, liver, diabetes, pancreatitis, cancer, endocrine, red blood cells and fluid status-\$142.52.

The laboratory tests identified in the preceding sentence [check one]:

- are hereby accepted and authorized
- are hereby declined
- were performed within the last 30 days

My understanding of the procedure is as follows:

INSTRUCTIONS WHILE PET IS UNDER ANESTHESIA

- Toe nail trim: Complimentary if under anesthesia (a \$17.00 value)
- Express anal glands: Complimentary if under anesthesia (a \$36.32 value)
- Microchip Implantation: \$69.11
- Comfort Care: \$47.22 Anti-Nausea and Anti-Diarrheal Support
- Other: _____

Please contact me today in accordance with the option selected below [CHECK ONE]:

- I prefer that the clinic proceed with all necessary work, including any and all necessary work not listed on the attached document which may be identified while the pet is under anesthesia.
- I wish to be contacted prior to additional procedures other than emergencies, but if I can not be reached, I hereby authorize additional, non-emergency procedures which the veterinarian considers necessary or appropriate.
- I wish to be contacted prior to any additional procedures other than emergencies. If I cannot be reached I do not authorize additional non-emergency procedures. I understand that my pet may require an additional anesthetic procedure in the future in order to treat a previously unidentified problem or to perform the proposed additional procedure.
